Chocolate Chip Ink & Sponge

Daubers

Glue Dots

 <p>You will first use the 1 1/2 x 2 inch Vanilla cardstock rectangle</p>	 <p>Stamp the butterfly in Black StazOn in the upper left corner</p>	 <p>Color in parts of the wing with So Saffron</p>	 <p>Color in parts of the wing with Baja Breeze</p>
 <p>Outline the butterfly with Sahara Sand marker</p>	 <p>Color the stamp with the markers, Old Olive and Baja Breeze</p>	 <p>Stamp the flower OFF ON SCRAP paper first</p>	 <p>Then 'huff' to remoisten and stamp and then stamp it in the bottom left corner</p>
 <p>Sponge the edges in Chocolate Chip</p>	 <p>Tear the newsprint provided, so that there is only the bottom right edge</p>	 <p>Sponge the newsprint edges in brown</p>	 <p>Adhere the newsprint in the bottom right corner as shown and curl back the edges</p>
 <p>Take the diagonally cut Baja Breeze ribbon And tear it along the diagonal</p>	 <p>Roll the edges back</p>	 <p>Stamp the Bee in Black StazOn on the Blue edge (yes, I know it isn't easy, LOL!)</p>	 <p>Take the Baja Breeze ribbon and tie a small knot at one end. Trim closely</p>

When you trim the ribbon, you should still have a lot of ribbon left

Adhere the ribbon knot to the piece as shown

Outline the butterfly details in Crystal Effects

On the thin strip of Vanilla provided, Stamp the 'For You' in black StazOn and Punch out with the Jewelry tag

Sponge the edge of the tag and Adhere it to the front

Adhere the pre-glued rhinestones To the front

Use either rolled glue dots and/or a thin line of Crystal Effects around the edge of the front and press the Beveled Windowpanes onto it. You may have to press it and hold it

Put monoadhesive on the entire back of the pin and adhere the ribbon in a loop

Adhere the Baja Breeze to the back to cover the ribbon loop

The jump-ring already has the clasp and key attached... open the jump-ring with tools provided

Gather the ribbon at the top and get it into the jump-ring and then close it again

Viola!
