Flowerpot Card

Step-by-Step photo instruction

 <p>Finished Project</p>	 <p>Take the matching Razzeberry/White cardstock and stamp the corner of the white</p>	 <p>Adhere them together</p>	 <p>On the 4x4 white square stamp the flowers and the frame (clear stamp provided)</p>
 <p>Stamp the greeting inside the frame</p>	 <p>Punch out the frame with the scalloped circle punch</p>	 <p>Cut out the flowers</p>	 <p>Punch the center of the large purple flower with the 1/16th inch punch</p>
 <p>Set a crystal brad in the center</p>	 <p>Take the three Olive rectangles and place them over the 'Little Leaves' die and place them on the multipurpose platform</p>	 <p>Put the Razzeberry cardstock inside the Embosslit and on the multi-platform and run all three through the Big Shot</p>	 <p>Punch out the butterflies</p>

Take the three sets of leaves, the flowers and butterflies and the tag

Adhere the large purple flower and two of the leaf branches and adhere it to the front

Adhere the large butterfly

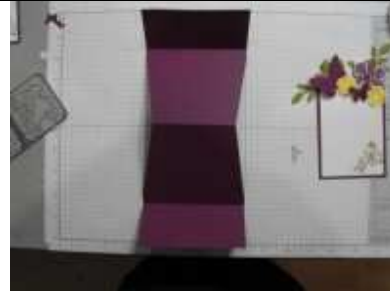

Adhere the two yellow flowers as shown

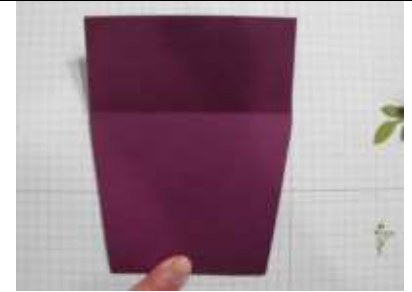

On the BACK, adhere the 3rd leaf branch

Adhere the last small butterfly on the front

Take the 'flowerpot and fold on the scores: 'mountain' in center 'valley' on ends

Fold in half in the middle as shown

Adhere the strip of DSP flush with the bottom

Cut the sides of the DSP as shown

Finished it should look like this

Punch the edges of the flowerpot

Glue down the flowerpot edge on both sides (Front should look like this)

Tie a bow around the pot to hold it shut

Slip the card inside with the flowers out the top

Adhere the scalloped circle greeting with a Dimensional™
